How the White House Worked to Get Kennedy to Retire

By ADAM LIPTAK and MAGGIE HABERMAN 11:23 AM ET

- President Trump praised Justice Anthony M. Kennedy, the White House nominated people close to him to important judicial posts, and Trump family members forged personal connections.
- The goal was to assure Justice Kennedy that his judicial legacy would be in good hands should he decide to step down at the end of the court's term.

BBC

(Panel-based, as opposed to line entry based)

The screenshot displays the BBC News website interface, characterized by a panel-based layout. At the top, the BBC logo is positioned on the left, followed by a 'Sign in' button and a navigation menu with links to News, Sport, Weather, Shop, Earth, Travel, and More. A search bar is located on the right side of the top navigation bar. Below this, a prominent red banner features the word 'NEWS' in white capital letters. Underneath the banner, a secondary navigation bar includes links to Home, Video, World, US & Canada, UK, Business, Tech, Science, Stories, Entertainment & Arts, Health, and More. The main content area is divided into several panels. The largest panel on the left is titled 'Technology' and features a headline 'Apple's grand plan to fix iPhone Maps app'. Below the headline, there is a sub-headline 'Apple will gather its own mapping data in an effort to improve the much-criticised Apple Maps.' and a timestamp '34 minutes ago | Technology'. To the right of the text is a large image of a smartphone displaying a map. Below the main article, there are three smaller panels. The first is titled 'Tech Tent: Facebook drone falls to earth' and includes a sub-headline 'We discuss the faltering of Facebook's project to connect the next billion people to the internet.' and a byline 'Rory Cellan-Jones Technology correspondent'. The second is titled 'Fake bookings hit Asian ride-hailing firm' and includes a sub-headline 'Ryde Technologies says 2,000 "phantom bookings" have cost its drivers thousands of dollars.' and a byline '29 June 2018 | Technology'. The third is titled 'Floating robot ball sent to space station' and includes a sub-headline '29 June 2018 | Technology'. To the right of these panels is a 'Watch/Listen' section with a list of video thumbnails and titles. The first video is 'The pizza-making robot and other news' (1:33, 29 June 2018 | Technology). The second is 'Warnings over suicide-themed video game' (1:11, 28 June 2018 | Technology). The third is 'Surplus energy rides the "gravity train"' (1:24, 28 June 2018 | Technology). The fourth is 'Virtual reality "is not just for gamers"' (2:33, 27 June 2018 | Business). The fifth is 'The WhatsApp video driving people to murder' (2:28, 26 June 2018 | India). The sixth is 'AI software can see people through walls' (1:18, 26 June 2018 | Technology). The layout is clean and organized, with clear visual hierarchy and easy navigation.
